4th November 2020 - Week 33

Hello family,

It is a bit hard to know what to write just now, as we are waiting to see what the next level of de-restrictions will look like. I do know, however, that as someone wise once said, "this too shall pass." This global event will pass. We will get back to somewhat normal lives, and life will go on. It has been tough, and very difficult for some. But here we are, almost at the end of the year, and it seems we can see the light at the end of the tunnel.

We are making plans to get back into physical fellowship as soon as it is possible. As I outlined last week, this will come in the form of small Sunday gatherings of up to 20 people and will look at the possibility of outdoor services as Summer approaches. Small groups are on the agenda, and some groups are already gathering. If you would like to be part of a small group who will gather at our church on Sunday morning (up to 20 people per group), could you please let me know and we will certainly open up the service for folk to watch the pre-recorded service and at least worship and take communion together. If you would like to join us on Sunday at 10.00, please RSVP by calling 51261569 to reserve your spot. We would like to give preference to people who cannot access the online options. If there are more than 20 people, we can open up for a second meeting at a later time. And, hopefully, we will have more good news after the next official government health and safety announcements are made.

Don't forget to start planning your Christmas light and nativity display. I can't wait to see your homes lit up and telling the wonderful story of Christmas as you get creative with your nativity scenes. We will run the competition through December and announce winners at our Christmas service on December 20th - so mark the date in your calendar. We are planning a Christmas with a difference on our church block, so keep watching this space for details which we will give shortly.

In the meantime, remember we have a loving God who is with us always - in good times and in not so good times. Let us remember to trust him with everything. As Philipians 4:6 tells us, "Have no anxiety at all; but in everything, by prayer and petition, with thanksgiving, make your requests known to God." We can face each challenge, knowing that our loving heavenly father is present to comfort, give wisdom, heal and give us grace. We pray for no fear and for truth and for our government to rule with fairness and good judgement, making the best possible decisions on behalf of our state. Let us always act with compassion, empathy and kindness and always give thanks as we pray and bring our requests to the Lord. Let us uphold one another often in prayer. And let's remember to begin and end each day counting and recounting the blessings of God in our lives.

Love to you all,

Glenda.

For Christmas this year, we were looking to do a drive-through experience on the block behind the church centre. It seems there might not be enough help to pull this off. We are still looking at options for Christmas. Most likely, there will be a children's presentation on 13th December and a full-on Christmas service on 20th December, maybe one in the afternoon and one in the evening.

Whatever celebrations we end up going with, there is a great opportunity for some creative, artistic people to decorate the Church and the block! Contact Glenda if you can help.
