Welcome to Church

March
2022

February has been set aside for a month of prayer and fasting. It has been wonderful to see God moving and answering our prayers. I believe the Holy Spirit is moving us into a new era – a time of purity in the church, holiness and righteousness which will precede an unprecedented revival. I do not know what that will look like. I just know that I want to be ready – I want to be a part of what God is doing. I want to see souls saved, baptisms occurring regularly, and people being transformed by the power of the Holy Spirit.

The National Day of Prayer and Fasting was on February 26th. We have been praying for:

1. Pray for revival of purity in heart and action in the church. Ephesians 5:25-27
2. Pray that this revival of purity in Christ will help transform Australia. Psalm 78:8
3. Pray that millions of people will find Christ and experience God's love. John 3:16

I encourage you to continue to pray and join together with Holy Spirit to see these prayers answered and to see His Kingdom Come here on earth as it is in heaven.

Our next opportunity to join together with other churches in our city is March 4th as we host this year's World Day of Prayer. We look forward to the fruit of our prayers as we come before God's throne in unity. Jesus has a vision of unity for his church. He prays for us to be one as he and the Father are one. When we come together in unity, the scriptures tell us that God commands a blessing. The scriptures encourage us to love one another, serve one another, encourage one another, comfort one another. There is power in connectivity. We draw strength as we stand with one another in prayer. If the devil's strategy is to derail the church, he will do it through disunity in the ranks. If it was important for Jesus to pray for unity, how much more should we also pray for unity in His church. The other issue that will derail the church is to allow impurity to continue. Jesus is coming for a spotless bride. Let us keep our hearts humble before the Lord, and ready for Him to continue his work of loving transformation.

In doing this, let us keep focused on our mission, to declare the gospel of Jesus. Let us be living examples of the gospel at the center of our lives and the center of our church as we love and serve one another, our Christian brothers and sisters, and our community.
