Dear church family and friends,

It has been so good to see so many people returning to our Sunday worship services. What a wonderful time we are having as we gather together. We are already seeing some new families come in, and children attending our Children's church program. There has been a lovely sense of the Holy Spirit in the meetings, with people being touched, refilled and renewed through the ministry of the word and worship.

While there is a window of opportunity to reach out to our community, we will be having a couple of events specifically intended for inviting new and unchurched people, as well as those of our family who have not yet got back into the habit of coming to church. I know there are people who are inquiring at the moment, and maybe looking for just the right opportunity to familiarise themselves with our local church. This is a great time to reconnect with our community.

April 8th we are having a twilight family night and outdoor movie. We will provide a BBQ and snacks, games and activities, and then settle in for a good old family movie out on the grass at the back of the church. We look forward to seeing many of our youth and families come and make this night a great time for all our visitors.

April 15th is Good Friday, and we will be having a communion service at 10.00 on this day as we commemorate the crucifixion of Jesus.

April 17th is Easter Sunday. This of course is the day we celebrate the resurrection of Christ. What a great day to invite a friend to come along. There will be some treats for the children, and morning tea served after the service.

Our end-of-month lunches are always a great day to invite a guest to join us for the service and stay for lunch.

Term 2 begins on April 26th. We would love to begin a Alpha course throughout Term 2. This would possibly be on a Sunday evening (from 5.00 to 7.00.) If there is anyone who would like to help facilitate this with me, please come and see me or give me a call (0438292107). The evening would include a simple meal. Please check out the Alpha program on the link below.

I would love to hear from you, especially if we have not connected for a while. Please feel free to drop me an email or give me a call if you would like to catch up. These days we need to be so intentional about connection. Otherwise, please join us on Sundays. We love to see you here at church. We are looking at the Person and ministry of Jesus. What a wonderful Saviour He is.

Also, Churchill Christian Fellowship are raising funds to renovate their new (old) quarters at the Hazelwood Hall. If you would like to contribute money, time or special skills, please contact Steve.

Many blessing to each of you.

With love
Glenda

The Father's Redemption Plan

Jesus loved the Father so, he gave his life on earth below.

He hung upon the cruel tree Becoming sin for you and me

What must we do to enter life To rid ourselves of worldly strife?

God says his word we must believe Take his love and just receive

This is his redemption plan Brought by God through his love for man.

So foolish we would be to shun The blood that was shed by the holy one

As for me, I can't wait to see The one who died for you and me

He says look up for it draws nigh Our redemption in the eastern sky

We must be found on that great day Full of faith come what may

Jesus soon is coming we all must learn And prepare ourselves for his return.
